WARRANTY INFORMATION

EXTENDED WARRANTY POLICY

TERMS AND CONDITIONS

Michigan Motorz will provide customers with additional warranty coverage for a **maximum** of 3 years of total warranty coverage, available for purchase in 1-year increments.

Warranty duration will not exceed 3 years total. The standard warranty terms included with each engine purchase apply (payout amount, hourly rate, claim submission, etc.). This extended warranty **extends** the duration of those terms.

Engine w/ standard 1-year warranty: 1 or 2 additional years of warranty can be purchased

Engine w/ standard 2-year warranty: Only 1 year of additional warranty can be purchased

1. Maximum coverage period of 3 years from date of purchase (not date of installation).
2. Calculation of extended warranty fee is based on the engine purchase price and does not include: engine core fees, freight fees, additional parts purchased with the engine, etc.
3. Extended warranty is only offered on BOTH marine and automotive new longblocks, remanufactured longblocks, core-first remanufactured longblocks, partial engines, complete engine restorations, Complete Michigan Motorz Carb engines, and Complete Michigan Motorz MPI engines.
4. This extended warranty policy is NOT available for other product lines such as MerCruiser, Volvo Penta, Ilmor Marine, Marine Power, etc. These manufacturers have their own warranty policies.
5. "H.O. Models" that are currently carrying a "PARTS ONLY" warranty, such as the 7.4L HO, 8.1L HO, and 8.2L are included in this extended warranty. The same "PARTS ONLY" terms apply.
6. The extended warranty **MUST BE PURCHASED** at the time of the engine sale. There is no "grace period" for purchasing an extended warranty.
7. The extended warranty must be added to the engine invoice as a line item, clearly showing the price and the duration of the warranty.
